Hotel ZoZo Dallas

The South is filled with fashionable boutique hotels that offer one-of-a-kind experiences and many of them can be found in just as unique locations. Here are six sleek and chic boutique hotels to check out.

2

Grand Bohemian Hotel Asheville

Asheville is a bustling mountain city in North Carolina, and the Grand Bohemian is located in the city's Historic Biltmore Village, a classic, planned community at the entrance to George Vanderbilt's Biltmore Estate, Garden & Winery. The area features tree-lined streets and brick sidewalks along with fine dining and quaint shopping in unique, locally owned retail shops. The Tudor-styled building exemplifies authentic Old World charm while offering high-tech services such as guest rooms with wireless Internet access, virtual concierge services and more.

Chic Meeting Spot: The 700-square-foot Grand Bohemian Gallery features artwork from local, regional and internationally recognized artists. John Luckett, general manager, said the venue is great for groups to participate in wine tastings by Biltmore Winery.
