A Grand Experience

at the Grand Bohemian Hotel Orlando

If your next cruise leaves from Port Canaveral, Florida, chances are you'll take some time before or after your trip to explore the Orlando area and all of its attractions. For the utmost in luxurious accommodations, book a stay at The Kessler Collection's Grand Bohemian Hotel in Orlando, a AAA Four Diamond landmark hotel just moments from downtown Orlando and its famous theme parks.

The Grand Bohemian Hotel is celebrated as an experience in art and music, from its Italian mosaic-tiled barrel-vaulted ceilings to its collection of more than 150 rare works of art featured in the hotel's own Grand Bohemian Gallery. Even the on-site Boheme Restaurant showcases world-class cuisine with a creative twist in an art-inspired setting.

The hotel's 247 guest rooms, including 35 suites, feature a luxurious environment of lush velvet drapes, deeply toned Java wood, sumptuous pillow-top beds, and spacious bathrooms. And the newest addition to the hotel — the Poseidon Spa — offers luxurious and unique spa treatments that take their cue from the sea. For example, indulge in a Heated Shell Massage, an Ocean Silk Wrap, or an Aphrodite facial massage.

Other ways to relax at the hotel include a heated outdoor pool and whirlpool that boast great city views of downtown Orlando, a 24-hour fitness center, or nearby championship golf courses or tennis courts.

No matter how you choose to spend your days, the Grand Bohemian Hotel is a luxurious way to savor your time before or after embarking on your cruise.
