Discover Colorado While Staying at the Beaver Creek Lodge

Anyone will tell you that the state of Colorado is one of the most popular destinations in the United States for mountain vacationing. By taking your loved ones on a mountain vacation in Colorado you will be giving them an experience that will last a lifetime. While in this amazing area you and your family can enjoy the various activities which include skiing, snowboarding, shopping, hiking, biking, as well as enjoying the live entertainment. Beaver Creek Lodge was ranked as one of the top fifteen snowmobiling areas in the West by SnowWest Magazine, The surrounding Beaver Creek Lodge offers hundred of miles of perfectly groomed snowmobile trails as well as some off trail riding. This lodge offers top quality on-site snowmobile rentals for both guided and unguided tours.

The great thing about the Beaver Creek Lodge is that the fun never ends, even when the snow melts! During both summer and fall seasons the guests are able to enjoy the horseback riding in the Cache National Forest with rides varying in both length and difficulty to please those of all ages and skill levels.

Other than the entertaining outdoor activities visitors are also able to take a short drive to the nearby Red Rocks Amphitheatre that is located in Denver. You will be able to watch concerts or go to the famous annual Telluride Film Festival. Even those vacationers who are on a budget will be able to locate lodging and activities that will entertain your family while staying within range. One of the most popular places in Colorado is in the Beaver Creek Lodge area.

It doesn't matter whether you came to the Beaver Creek Lodge area in Colorado for the first class snowmobiling, breathtaking mountain horseback rides, a small business retreat, or even a large family reunion, this area is the perfect choice. Beaver Creek Lodge is twenty seven miles east Logan Utah along US Highway 89, and is around two hours north of the Salt Lake International Airport.
